Information / Statement (verbatim)

I, Anil Kapoor, state that on the night of 13 October 2024, at the Whitefield Warehouse, Bengaluru, I witnessed large-scale cash movement and fabricated invoices being prepared by the accused persons. Accused Rohan Malhotra, who is the Director of Apex Trading Solutions, was personally coordinating the operation and was in constant telephone communication with accused Meera Iyer and suspect Kabir Nanda. The phone used by Rohan Malhotra was +91 98220 14567. Meera Iyer could be reached at +91 99876 23104 and Kabir Nanda at +91 90011 47820. I overheard Rohan Malhotra instruct Kabir Nanda to transport cash of Rs. 45 lakh to a godown near Andheri Industrial Estate, Mumbai. The vehicle used by Kabir Nanda for the transport was a white sedan bearing registration number KA03AB1234, which is registered in the name of Rohan Malhotra. Another vehicle MH02CD5678, registered to Meera Iyer, was seen parked outside the warehouse earlier the same evening. During the conversation, Rohan Malhotra referred to his bank account Axis A/c No. 01928822345 (IFSC AXIS0000192) and asked Meera Iyer to route the proceeds through her HDFC account number 55104417823 with IFSC HDFC0000042. Kabir Nanda stated that his own SBI account number 30318049271 (IFSC SBIN0000303) would be used to receive Rs. 8.5 lakh as his commission. The total fraud value is estimated at Rs. 2.5 crore. Accused Sameer Qureshi, who OWNS the Qureshi Warehouse, was earlier spotted at Karol Bagh Market, New Delhi meeting Meera Iyer. I request that an FIR be registered against the accused persons and the financial trail be investigated.
